

## FONDS VOOR ARBEIDSONGEVALLEN

AANSCHRIJVING NR. 2006/6

27.02.2006

**Koninklijk besluit van 6 december 2005 – Kapitalen die overeenkomstig artikel 4 van het koninklijk besluit van 13 januari 1983 tot uitvoering van artikel 42*bis* van de arbeidsongevallenwet van 10 april 1971 aan het Fonds voor Arbeidsongevallen verschuldigd zijn voor de ongevallen die zich vanaf 1 januari 2003 hebben voorgedaan – Nieuwe barema's**

---

Artikel 1 van voornoemd besluit voert voor de ongevallen die vanaf 1 januari 2003 zijn gebeurd, nieuwe barema's in (zie bijlage) voor de berekening van de kapitalen die in het kader van de cumulatie met pensioenen aan het Fonds voor Arbeidsongevallen moeten worden gestort.

Artikel 2 bepaalt dat het besluit van toepassing is op de kapitalen die vanaf de datum van zijn inwerkingtreding aan het Fonds verschuldigd zijn.

Het besluit werd in het Belgisch Staatsblad van 15 december 2005 bekendgemaakt en is dus in werking getreden op 25 december 2005, d.w.z. tien dagen na de publicatie ervan (artikel 6 van de wet van 31 mei 1961). Het is van toepassing op de kapitalen die vanaf die datum aan het Fonds verschuldigd zijn.

Er kunnen zich twee situaties voordoen:

- de gevallen bedoeld in artikel 4, vierde lid, van het koninklijk besluit van 13 januari 1983, waarvoor de aanvangsdatum van het pensioen vóór de regelingsdatum van het ongeval (datum van de bekrachtiging van de overeenkomst of datum waarop de gerechtelijke beslissing in kracht van gewijsde is gegaan) gelegen is;
- de gevallen bedoeld in artikel 4, vijfde lid, van het koninklijk besluit van 13 januari 1983, waarvoor de aanvangsdatum van het pensioen na de regelingsdatum van het ongeval gelegen is.

In beide situaties moeten twee voorwaarden vervuld zijn, opdat het kapitaal aan het Fonds verschuldigd zou zijn:

- het geval moet definitief geregeld zijn;
- het slachtoffer, of zijn rechthebbende in geval van een dodelijk ongeval, moet gepensioneerd zijn.

De nieuwe barema's zijn van toepassing op de ongevallen die zich vanaf 1 januari 2003 hebben voorgedaan en waarvoor beide voornoemde voorwaarden vanaf 25 december 2005 vervuld zijn.

Voor de herzieningen bedoeld in artikel 4, zevende lid, van het koninklijk besluit van 13 januari 1983 zijn de nieuwe barema's van toepassing, hetzij op de gevallen waarvoor de bekrachtiging in herziening vanaf 25 december 2005 betekend wordt, hetzij op de gevallen

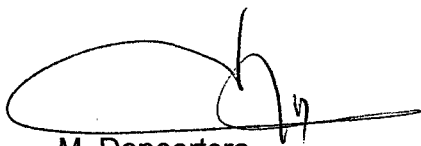

waarvoor de gerechtelijke beslissing (in herziening) vanaf 25 december 2005 in kracht van gewijsde is gegaan.

Voor de terugbetalingen van de kapitalen bedoeld in artikel 4, achtste lid, van het koninklijk besluit van 13 januari 1983 in de gevallen waarin het slachtoffer of de rechthebbende niet langer aanspraak kan maken op een pensioen, dient men dezelfde barema's te gebruiken als bij de oorspronkelijke berekening.

De vroegere modaliteiten inzake de storting van de kapitalen «cumulatie met pensioen» blijven onveranderd.

Mochten er ingevolge de laattijdige toepassing van de nieuwe bepalingen regularisaties nodig zijn, dan zal het Fonds die ambtshalve doorvoeren.
